## St. Peter's Parish Mission Statement

We are a Spirit-filled, caring and compassionate community of pilgrims under the patronage of St. Peter. United in Christ Jesus, we come together in the historic Church of St. Peter-in-Chains, Trenton of the Catholic Archdiocese of Kingston to celebrate our faith in Word and Sacrament. Drawing life from the Eucharist, we serve in charity and promote justice so all may share in the reconciliation, peace and hope of Christ. In this way, we strive to live the Good News of the Lord.

Please remember St. Peter-in-Chains Parish in your will. A gift to the Parish will help carry on the Lord's work you so generously supported during your life time.

Think About It!

In the first prayer that we say together at Mass, we acknowledge and confess our sins to God and to "our brothers and sisters" ....who are our fellow parishioners. Later in that prayer, we ask these same parishioners to pray for us. When we rely on each other and pray for one another, we strengthen our faith community. Which of your brothers and sisters will you pray for this week?

**Outside the Parish**

✠ **Fri., & Sat Mar., 2-3, Marriage Preparation Retreat in Belleville.** We ask that all registrations be in **no later than Feb 15<sup>th</sup>**, so that accommodation can be made for meals & resources. For more info contact Donna at 613-398-6745, or [assisi@sympatico.ca](mailto:assisi@sympatico.ca).

There's a dropout named Bobby and a super genius named Greg sitting on a bench waiting on a bus. The genius gets bored, leans over to the dropout and says, "Hey, I'll tell you what, I'll ask you a question and if you don't know the answer you have to give me 5 bucks. If you ask me a question and I don't know the answer I have to give you 50 bucks."

The dropout says, "Alright, man."

The genius asks the dropout, "What is the Pythagorean Theory?"

The dropout replies, "I don't know." and hands the genius five bucks.

"Okay," the dropout says, "What has three legs going up a hill and four legs going down?"

The genius thinks real hard and finally gives up. He hands the dropout 50 bucks then asks, "So, what is the answer?"

The dropout says, "I don't know." and hands the genius \$ 5 bucks.
